## Long Arm Quilting Prices

Rev. 02/20/2022

**All quilting prices are calculated by the square inch.** To figure the price, multiply the length by the width of the quilt then multiply that number by the price per square inch.

**Example:** Quilt top is 80" x 80" or 6,400 square inch.

For Large Meander, multiple \$.020 x 6,400 and the quilt price is \$128

### \* Long Arm Quilting Pricing (per square inch)

**\$.020 -- All-Over Large Meander:** (3" or Larger Spacing), Ideal for T-Shirt quilts

**\$.025 -- All-Over Medium:** Meander (2" – 3" Spacing), or simple all-over design such as Loopy Meander, Spirals, Daisy meander, Leaves, etc.

**\$.030 -- All-Over Small:** Meander (1"-2" Spacing) or simple all-over design with different pattern in border

**\$.045 - \$.050 -- Semi-Custom Freehand:** Some stitch-in-the-ditch, Some ruler work, Outlines around appliqué/blocks, etc.

**\$.060 - \$.10 -- All Custom Designs:** Dense quilting such as grids, pebbles, or small spirals, etc. Each block treated separately, borders have different designs, heavy ruler-work, outline designs or echo, etc.

**Minimum quilting price is \$45.**

## \* Additional Options

**\$.015/square inch – Basting:** In preparation for machine or hand quilting

**\$15 - Piecing of backing fabric (1-2 seams):** Additional charges for more piecing

**\$.20/linear inch – Binding:** Machine sewn on one side and finished with hand sewing.

**\$25/hour – Quilt Repairs:** If quilt repairs are needed, you will be notified and have the choice to repair them yourself or have me do it at \$25/hour.

## \* Batting Prices:

**\$7/yard - 60” wide Quilters Dream Green**

**\$10/yard - 93” wide Quilters Dream Green**

Batting is available for quilts that I am quilting (I do not sell batting otherwise). I try to keep Quilters Dream Green, mid weight polyester batting made from recycling soda bottles, in stock at all times. This batting has exactly the same feel and weight and longevity as their other polyester batting but helps the environment.

You may bring your own quality batting, but I cannot work with Mountain Mist, PolyFil Batting or other lower quality batting.

**Prices are subject to change without notice based on changing supply costs.**

**Please see "Preparing Your Quilt for the Long Arm Quilter" for more information.**
